Overview:

At 3Ci, we combine honesty, integrity, and delivery with culture, purpose, and mission.

We wake up every day with an unparalleled excitement, running to work knowing that we change lives.

When people ask us what we do, we don't simply reply with, "We are a technical staffing company that offers leadership training." No, our reach goes far beyond the surface level of a quick-fix, Band-Aid approach.

We invest in lives.

We believe in Better People.

We believe in the Perfect Fit.

We believe in you.

Position Type(s):  Professional Full Time Position, Internship Position, Co-op Position

Major(s) Recruited:  All Majors

Degree Level(s) Recruited:  Bachelors, Masters

Industry:  High Tech/Information Technology, Technology

Overview:

SalesLoft is helping transform companies into 'modern sales organizations'. Our Sales Engagement Platform helps teams set and execute on a cadence of phone, email, and social communications so they can convert more target accounts into customer accounts. The platform equips sales leaders with new capabilities to test, learn and adapt to ensure they execute on the most effective selling process for their account-based approach. SalesLoft also delivers access to an ecosystem of 3rd party software products allowing teams perform all their sales engagement from one platform. The SalesLoft platform is helping sales professionals believe - in the process they're following, in the product they're selling, and in themselves - delivering a modern sales experience to their prospects and customers.
